Volunteering

I/We would be interested in learning more about helping others with:

- Planning events Scholarship Fundraising Membership
 CAAAN*** (secondary school committee) Communicating Events via Phone Being on the CCNH Board

Note: Member's interest will be referred to the Board member in charge & they will contact you. There is no obligation implied by expressing interest.

*** CAAAN Chair Lynn Butterly '71 writes: "The Cornell Alumni Admissions Ambassador Network is in need of more NH volunteers! We are alumni who meet with NH applicants to Cornell. The meetings make the Cornell experience "come to life" for the applicants, and we answer any questions they may have. We meet with applicants from our local geographical area. It is interesting and fun for the alumni and the students, as well as being very helpful in the admissions process! With NH applications way up last year, we would love to have you join us!"

Comments/Suggestions

Can you help us with new ideas or volunteer time? We would appreciate any input you might have to help us run a club that appeals to more of you. If you have any suggestions, whether they are new or novel, or just fun, please send them along. Thanks!
